Dear Mrs. Martin:

Please excuse this belated reply to your letter of April 4, 1967, with which you enclosed a certified copy of Resolution No. 66-48. It is not true that we were not furnished with a copy of this resolution. We received one on December 30, 1966.

Resolution No. 66-48 withdrew territory in the City of La Mirada from the Midcrest Lighting District. Section 19230 of the Streets and Highways Code was cited in the resolution as a basis for the adoption of the resolution by the City Council.

Section 19230 of the Streets and Highways Code provides that the Board of Supervisors may withdraw territory from Highway Lighting Districts. As the City Council of the City of La Mirada did not have jurisdiction under this statute, Resolution No. 66-48 was considered to be of no effect by the County of Los Angeles. We are obliged to abide by this decision.

The effect of Resolution No. 66-48 will not be reflected in the 1967 Board roll. If a resolution were adopted that was based on Section 19230 of the Streets and Highways Code, this would more than likely be acceptable.

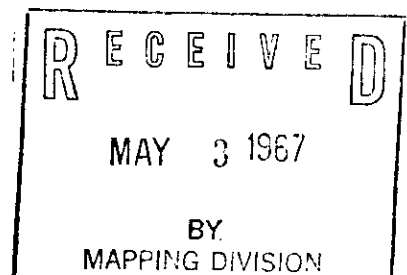

Very truly yours,

Resolution refers to the district it purports to withdraw from as Midcrest County Lighting Maintenance District instead of the correct name - Midcrest Lighting District. Therefore the district cannot be properly identified. Section 1 of the resolution refers to an incorrect section number of the Streets & Highways Code. Because of these factors we cannot accept the Resolution as a valid withdrawal. (per Mr. Dilling, 12/30/66) Mrs. Martin, City Clerk, was informed of this by telephone on 12/30/66. f.700.

Honorable Board of Supervisors
Los Angeles County, California

Attention: Mr. Gordon Nesvig,
Clerk of the Board

Gentlemen:

The undersigned property owner hereby protests the proposed incorporation of the Mirada Hills area of Los Angeles County, and requests that the following described property be excluded from the proposed incorporated area:

Lots 15, 43 and 44 as shown on licensed Surveyor's map filed in Book 15, Page 28 of Record of Surveys in the office of the Recorder of said County. Also that portion of Lot 37 conveyed to Tidewater Oil Company described in Deed dated May 23, 1956, recorded in Book 51391, Page 383, of Official Records in the office of said Recorder. Also the S-1/2 of the SE-1/4 of the NE-1/4 of the NW-1/4 of Section 14, T. 3 S., R. 11 W., in the Rancho Los Coyotes; EXCEPTING from said Lots 37 and 44 those portions thereof described as Parcel 2 and Parcel 6 in that certain action entitled "Excelsior Union High School District vs. Trino Aguilar, et al" in the Superior Court of the State of California, in and for the County of Los Angeles, Case No. 673738, containing an aggregate area of 20.63 acres.

This protest and request for exclusion is made on the grounds that incorporation is contrary to the best interest of the residents and property owners of the area and that the area can be adequately provided with governmental services by the County of Los Angeles.

Re: Proposed Incorporation of
Area known as Mirada Hills

Dear Sir:

At the meeting held on May 14, 1958, the County Boundary Commission reviewed the boundary description submitted by you on April 29, 1958, of the area known as Mirada Hills, proposed to be incorporated as a General Law City.

The boundaries conform with record lines, except that one arbitrary cut has been created. A corridor of unincorporated territory is created by the boundaries of this incorporation and the boundary of the City of Santa Fe Springs, along Valley View Avenue.

This incorporation overlaps the proposed incorporation of the City of Little City, as approved by the Commission on December 11, 1957, the proposed incorporation of the City of Whittier Hills as approved by the Commission on February 13, 1958, and the proposed "Southside Annexation No. 23" to the City of Santa Fe Springs, as approved by the Commission on January 29, 1958.

Upon recommendation of the County Engineer slight revisions of the boundary description were made to provide the definiteness and certainty required by Section 34303.5 of the Government Code.

With these revisions, the County Boundary Commission approved the boundaries of the area proposed to be incorporated as the City of Mirada Hills. A copy of the revised approved legal description is enclosed for your use.

Very truly yours,

GORDON T. NESVIG, Secretary

TRY AT INCORPORATION BEFORE TWO YEARS APPROVED

A proceeding for the incorporation of the City of Mirada Hills has been permitted to continue, despite an opinion Monday by the District Court of Los Angeles. Although the incorporation proceedings began in 1953, after voters rejected a proposed city charter, the case of the City of Mirada Hills was brought before the court by an annexation of the City of San Diego, which was holding a proceeding in the territory.

The court's decision was based on the fact that the Central San Diego County Board of Supervisors of the County of San Diego, which was holding a proceeding in the territory, had not yet held a hearing on the matter.

Reverses Judgment
Specifically, the decision reversed a judgment of mandamus entered by the district court which annulled the incorporation proceedings. The court held that the incorporation proceedings were not void, but that the court should have granted a writ of mandamus to the County Board of Supervisors to hold a hearing on the matter.

Specifically, the decision
Ashburn, who was the respondent in the case, held that the incorporation proceedings were not void, but that the court should have granted a writ of mandamus to the County Board of Supervisors to hold a hearing on the matter. The court held that the incorporation proceedings were not void, but that the court should have granted a writ of mandamus to the County Board of Supervisors to hold a hearing on the matter.

As a matter of law, the court
ruling that the incorporation proceedings were not void, but that the court should have granted a writ of mandamus to the County Board of Supervisors to hold a hearing on the matter. The court held that the incorporation proceedings were not void, but that the court should have granted a writ of mandamus to the County Board of Supervisors to hold a hearing on the matter.

Decision Favors Board
The DCA's decision thus favored the Board of Supervisors of the County of Los Angeles which sought to permit the second incorporation proceeding. The court held that the incorporation proceedings were not void, but that the court should have granted a writ of mandamus to the County Board of Supervisors to hold a hearing on the matter.

New Times

(CONTINUED FROM PAGE 1111)
dents opposing incorporation were held, and by Justice Ashburn's opinion to present on the appeal their contention that the incorporation of Mirada Hills was not valid, but that the City of San Diego, which was holding a proceeding in the territory, had not yet held a hearing on the matter.

Justice Ashburn's opinion
the court's decision was based on the fact that the Central San Diego County Board of Supervisors of the County of San Diego, which was holding a proceeding in the territory, had not yet held a hearing on the matter. The court held that the incorporation proceedings were not void, but that the court should have granted a writ of mandamus to the County Board of Supervisors to hold a hearing on the matter.

Annexation
The court held that the incorporation proceedings were not void, but that the court should have granted a writ of mandamus to the County Board of Supervisors to hold a hearing on the matter. The court held that the incorporation proceedings were not void, but that the court should have granted a writ of mandamus to the County Board of Supervisors to hold a hearing on the matter.

He also noted that the court
could decide the question of whether the incorporation was valid, but that the court should have granted a writ of mandamus to the County Board of Supervisors to hold a hearing on the matter. The court held that the incorporation proceedings were not void, but that the court should have granted a writ of mandamus to the County Board of Supervisors to hold a hearing on the matter.

Justice Ashburn noted that
respondents themselves raised this question of jurisdiction in the lower court and then, without sound grounds for changing its position and asserting that the question was not proper on the appellate level. The opinion held that annexation was improper because there were more than 100 persons resident in the area.

LA MIRADA—The question of whether a city will be formed here next year moved a step nearer a decision this week with the filing in the district court of appeal of a respondent's opening brief in the Mirada Hills incorporation case.

Despite the fact that voters of the proposed city expressed the desire to incorporate on Jan. 14 by a margin of some 400 votes, the normal court procedures indicate almost no possibility that cityhood will come this year.

20 Days Given

Deputy County Counsel David Mix, who has handled the case for the appellants, has been given 20 days to file his reply brief, and expects to have it in about Sept. 25.

It is not clear that will put the case over the top.

Mirada Hills Now City of La Mirada

Community Ends Four-Year Battle for Own Identity

LA MIRADA—It has taken nearly four years, but there is now officially a city of La Mirada in Los Angeles County, the City Council was informed at Tuesday's meeting.

City Manager Winton Burne, who as of the previous meeting was chief executive of the city of Mirada Hills, read a letter from the Secretary of State officially fixing the name change as of Dec. 15.

The first attempt to incorporate the city of La Mirada here was filed Feb. 7, 1957.

Three Names

Partly because of legal technicalities and partly because of a race with a neighboring city for territory, three subsequent incorporation filings carried the names of La Mirada Knolls, Whittier Hills and Mirada Hills.

Following the successful election of January, 1959, the incorporation was contested in court so that Mirada Hills did not become a city until March 23 of this year.

The effort to secure a name change to the original La Mirada was begun immediately and the rare change was approved overwhelmingly by voters at the Nov. 8 election.

Mirada Hills Newest City in County

**City Incorporated
After 14 Months;
Council Shuffled**

MIRADA HILLS, March 23 — Six city councilmen were sworn in tonight by Arthur G. Will, county-city co-ordinator, as the city of Mirada Hills was organized.

Only four were in office, however, by the time the new Council sat down to enact the first laws of the 68th city in Los Angeles County.

Robert Walker and Gene Arant, the candidates with the highest vote at the incorporation election of Jan. 13, 1959, both had moved from the city during the 14-month court battle which preceded official incorporation this afternoon.

New Appointee

The remaining three elected members, Jerome Resnick, Jack C. Clifford and Mrs. Estelle Troup, then appointed James T. Jenkins, an attorney, to Walker's post. Four councilmen are required by state law to enact legislation.

Arant's post is still vacant.

First actions of the new Council after a welcoming ceremony before a crowd of 250 in the McNally School auditorium were to appoint Resnick as mayor and Clifford as mayor pro-tem for the coming year.

Officials Named

The Council also named Alex Googooian as city attorney. He had counseled the incorporation proponents during the 14-month court battle. Mrs. Ann J. Marin was named city clerk.

Walker flew from Chicago to be sworn in.

Mirada Hills Council Likes Name La Mirada

MIRADA HILLS, July 26—City councilmen at tonight's meeting indicated they would like to go along with the proposal of the La Mirada Chamber of Commerce to change the name of this city to La Mirada.

Following a report by City Atty. Alex Googooian, however, they agreed that such a change would be practically impossible for a couple of years.

State law requires that a city wishing to change its name can do so only through a petition signed by at least 50% of the "qualified electors as shown by the vote cast at the last municipal election."

Since Mirada Hills has had

no municipal election since its incorporation March 23, and no regular municipal election is scheduled before April 1962, this poses a problem.

Even when this hurdle is passed, Googooian added, the city will be faced with a requirement that a name change question must be submitted to the voters and passed by at least a two-thirds majority. Failing this, it must not be taken up again for at least 10 years.

Building Started

EXETER, July 26—Construction has begun on the new Exeter Post Office. Construction is scheduled to be completed about Feb. 1.

Court Upholds Mirada Hills Incorporation

MIRADA HILLS, Feb. 2. Opponents to incorporation of Mirada Hills, a proposed city of 20,000, lost a round in their year-long court battle today—but the fight's heading for still higher legal arenas.

The Los Angeles District Court of Appeal today denied a petition of Central Manufacturing District, Inc., for re-hearing on its appeal to invalidate the Jan. 13, 1959, La Mirada incorporation election.

Appeal Planned

The three court judges voted unanimously to reverse a Superior Court peremptory writ of mandate, which, since Jan. 19, 1959, has prevented the County Board of Supervisors from canvassing the election ballots and instituting legal procedure to make Mirada Hills a self-governing city.

Atty. William D. Moore, representing Central Manufacturing, said he has been informed that he is to proceed with a new appeal, this time to the California State Supreme Court.

Mirada Hills Hears Name Change Plea

New City's Council Favors La Mirada Despite Problems

MIRADA HILLS, Aug. 23—Born in a lawsuit and christened with the unpopular name of Mirada Hills, this city tonight considered going to the courts or voters to restore the former name of La Mirada.

A letter from the La Mirada Business and Professional Women's Club urged council action for the change and another from Assemblyman William Munnell promised to introduce special legislation to help effect the change.

Munnell's Proposal

Munnell, Democratic floor leader in Sacramento and an attorney, is the assemblyman for this district.

His proposed bill would suspend for a few months next year the old law which forces a city wishing to change its name to get petitions signed by 50% of the number of voters in the last municipal election, to secure a two-thirds majority for the name change at the election, and to wait 10 years before trying again should the measure fail.

Mitchell's Proposal

Munnell's Republican rival in the Assembly election this fall, La Mirada Atty. Robert E. Mitchell, presented an old court ruling which he said would make the legislation unnecessary.

The city has been prevented from circulating petitions because, except for its incorporation election, it has never had a municipal election and will not until 1962. Under Mitchell's court ruling, however, an incorporation election would be interpreted as a municipal election, permitting petitions at once.

In the absence of City Atty. Alex Geogocian, the council referred the complicated tangle to him, and Munnell for a report as soon as possible.

Mirada Hills Plan as City Ruled Invalid

**Incorporation Vote
Disobeys Law,
Judge Decides**

Proceedings for incorporation of the new city of Mirada Hills, favored by the voters in last week's election, were ruled invalid today by Superior Judge Worth Meyer.

The decision nullifies the results of election and commanding the County Board of Supervisors to stop further steps toward the incorporation was delivered after an all-day hearing.

Judge Meyer held that the proponents had not complied with the terms of the law which forbids the holding of an election for incorporation of territory within two years of a previously defeated election.

Similar Territory

This provision of the law, the judge pointed out, specifies that it must apply if the territory covered by the new election is substantially the same as that involved in the previous election.

Judge Meyer found that

60% of the proposed Mirada Hills is the same as included in the projected new city of La Mirada Knolls, which was defeated Jan. 14, 1959.

The suit against the supervisors to keep them from carrying the results of the second election was brought by Central Manufacturing District, Inc., and operators of the Harvey Machine Co., which own large tracts of land within the proposed city.

Annexation Plan

It also was asserted by the two companies that the incorporation move was invalid because some of the territory involved was already the subject of annexation proceedings by the adjoining city of Santa Fe Springs. But Judge Meyer held that there was no merit to this contention because the Santa Fe Springs City Council had adopted a resolution abandoning its previous declaration of intention to annex the area.

Central Manufacturing was represented by Atty. William D. Moore. The supervisors were defended by Dep. County Counsel David Mix, who said he will request a new trial and will appeal if the request is denied.

16,300 Population

The vote for incorporation in the election held Jan. 13 was 2,305 in favor and 1,792 against. The proposed city would have an area of 4.7 square miles, a population of 16,300, and assessed valuation of \$17 million.

The area on the eastern edge of the county extends from Leffingwell Rd. on the north to Artesia Blvd. on the south and from Valley View Blvd. on the west to Santa Gertrudes Ave. on the east.

Mirada Hills Nullification Stirs Fight

County to Contest Court Ruling That Voids Cityhood

LA MIRADA—A Superior Court decision nullifying incorporation proceedings for Mirada Hills will be contested by Los Angeles County, according to Dep. County Counsel David Mix.

The nullification, ordered by Judge Ellsworth Meyer, commanded the Board of Supervisors, the defendants in the action, to drop all further steps toward the incorporation.

Time Factor

Judge Meyer ruled that cityhood proponents had not complied with the terms of the law which forbids the holding of an election for incorporation of an area within two years of a previously defeated election.

He found that 60% of the proposed Mirada Hills area is the same as that land included in the planned city of La Mirada Knolls, incorporation of which was defeated in an election Jan. 14, 1958.

Mix says he will base his appeal basically on the contention the Mirada Hills area is not substantially the same as that of La Mirada

Knolls and also on the fact the petitioners waited eight months to bring their suit, which would constitute "laches" — an unnecessary delay that would bring a detriment to the other party involved.

The suit to keep the supervisors from certifying the results of the Mirada Hills election was brought by Central Manufacturing District, Inc., and operators of the Harvey Machine Co., combined owners of some 400 acres of industrial land included in the Mirada Hills boundaries.

Second Point Invalid

A second assertion by the two companies, that the incorporation was invalid because some of the territory involved was included in an annexation proceedings being conducted by Santa Fe Springs at the time, was overruled. Judge Meyer held that there was no merit to this allegation because the Santa Fe Springs City Council had adopted a resolution abandoning its intention to annex the area.

Robert G. Walker, mayor-elect of Mirada Hills, said the judge's ruling was received with shock by residents of the area.

"As a community of some 16,000 persons, we've been working toward forming a city for about two and a

half years — and we have been fighting with the industrial interests every step of the way," he said.

"We feel this suit is just

another move intended to stymie us. The vote of the people here indicated they definitely want cityhood and we are very confident the ruling will be reversed in an appeal," Walker de-

clared. The proposed city is bounded generally by Lefingwell Road on the north, Artesia Blvd. on the south, Santa Gertrudes Ave. on the east and Valley View Ave. on the west.

Mirada Hills Judgment To be Filed this Week

*In Mirada Lamp lighter
2-5-59*

The County Counsel's office remained "no comment" as to whether or not they would file an appeal to a higher court on the recent Mirada Hills decision after filing their objections to the findings of the court, early this week.

Judge Meyer is expected to officially file the judgement sometime later this week.

The County Counsel then has, by law, 60 days in which to file an appeal. Dave Mix, defending the County in the suit against the Central Manufacturing District, said that if the appeal is to be filed, "it will be filed as soon as the judgement is entered."

Most of Mix's objections were on the technical side, but on the "substantial" clause on which

Judge Meyer made his final decision, Mix objected to the findings that the testimony included figures pertaining only to the land included in the two cities (La Mirada Knolls and Mirada Hills) and excluded figures on the territory not in common.

Meyers made his decision on

the testimony that 60% of La Mirada Knolls was included in Mirada Hills which he ruled was "substantial".

The period now is merely a matter of procedure; the only way Mirada Hills could become a city is through a re-trial or an appeal to a higher court.

Mirada Hills Votes, 5-4, to Incorporate

By a Times Correspondent

MIRADA HILLS, Jan. 13. Incorporation of the city of Mirada Hills was approved by voters today by a 5-4 margin, with complete unofficial results from the 11 precincts showed 2,306 in favor and 1,792 against.

Last year a similar proposal was defeated.

Winning candidates from the list of 23 for the five City Council positions, according to final unofficial tabulations from the 11 precincts, are Robert Walker, with 1,669 votes; Gene Arant, 1,600; Jerome Resnick, 1,564; Jack Clifford, 1,216, and Estelle Troup, 1,199. In sixth place was candidate Frank Ausing, with 1,017 votes.

4.75 Square-Mile Area

The proposed city has an area of 4.75 square miles, population estimated at 16,300 and about \$17 million assessed valuation. It extends from Leffingwell Rd. on the north to Artesia Blvd. on the south and from Valley View Blvd. on the west to Santa Gertrudes Ave. on the east.

A suit by owners of industrial land to invalidate the election was turned down yesterday by Superior Judge Ellsworth Meyer. Opponents are expected to file an amended complaint in the same court tomorrow.

Court Restrains Mirada Hills Ballot Canvass

An order restraining the County Board of Supervisors from canvassing the ballots of the recent election favoring incorporation of a new city to be known as Mirada Hills was issued yesterday by Superior Judge Ellsworth Meyer.

The court acted on the basis of an amended complaint filed by Central Manufacturing District, Inc., a subsidiary of Santa Fe Railway, and by operators of Harvey Machine Co. Both concerns own land within the proposed city.

Two main points are raised by the companies. They contend that incorporation of "substantially" the same territory was defeated by voters a year ago and that the law prohibits another election within two years of the first.

They also maintain that the supervisors did not have jurisdiction to call the election because part of the area was already the subject of annexation proceedings by the city of Santa Fe Springs.

Complete but unofficial returns from Tuesday's election show 2305 ballots in favor and 1792 against incorporation.

La Mirada Hills Vote Ban Denied

Injunction Petition to Stop Election Refused by Court

A petition for an injunction which would have prevented an election today on the proposed incorporation of the new city of La Mirada Hills was denied yesterday by Superior Judge Ellsworth Meyer.

The court held that a suit brought by Central Manufacturing District, Inc., a Santa Fe Railroad subsidiary which controls 330 acres in the proposed municipality, did not contain sufficient grounds to stop the election.

Defeated Once

Directing its suit against the Board of Supervisors, which set the boundaries of La Mirada Hills and ordered the election, the Central Manufacturing organization based its plea on two main points:

1—That the incorporation move was defeated a year ago—when the proposed city was known as La Mirada Knolls—and that the area covered in the present project is "essentially" the same.

2—That the supervisors did not have jurisdiction over the territory because part of it already was the subject of an annexation move by the city of Santa Fe Springs.

County Answers

But Dep. County Counsel David Mix, representing the supervisors, argued that the complaint needed a more specific allegation to describe the area subject to the new election than the words "essentially the same" as involved in the 1958 balloting.

Mix also maintained that Santa Fe Springs has abandoned the annexation proceedings and that this was not alleged in the suit.

Judge Meyer permitted Central Manufacturing's attorney, William D. Moore, to file an amended complaint with more specific allegations but said nothing would be gained by stopping the election.
